									\$7,220 \$3,610				

FOOTNOTES:

¹ Plans F & G offers a high-deductible plan. If you choose this option, this means that you must pay for Medicare-covered costs up to the deductible amount of \$2,870 (2025) before your Medigap plan pays anything.

² After you meet your out-of-pocket limit and your yearly Part B deductible (\$257 in 2025), the Medigap plan pays 100% of covered services for the rest of the calendar year.

³ Plan N pays 100% of the Part B coinsurance, except for a copayment of up to \$20 for some office visits and up to \$50 copayment for emergency room visits that don't result in an inpatient admission.

⁴ Plan F, High Deductible Plan F & Plan C are ONLY available to those who were considered Medicare-eligible prior to 2020.
